June 2017

Report Cards

Report Cards go home with students on June 28th.

Please take some time to go over the report card with your child, highlighting strengths and identifying an area that your child could be working to improve both in the summer and into the next school year.

Communicating with your child about their successes and thinking about goals can be very beneficial in their learning journey!

Jump Rope for Heart

Our event this year was June 26th.

Students had time to collect funds from family and friends, in support of the Heart and Stroke Foundation. A jumping-fun day was had by everyone.

Many thanks to Mme. Kavita for organizing this event and to all of those who supported students through sponsorship!

From the Desk of the Principal.....

Farewell to many of our valuable students, as they continue their learning at many other schools. We will especially miss many of our K students, who are moving to Bayshore P.S and the start of their new EFI program! Bonne chance!

We look forward to welcoming back our awesome grade 5 students into our new EFI grade 6 program. As a result of the Western Area Accommodation Review, Lakeview will be a K-6 school for the foreseeable future, starting with the 2017-2018 school year. This change will create the need for some re-organization of the classrooms to accommodate all of our students and some other, important special needs within the school.

We look forward to the changes as we work to provide the best in learning environments for our students. At this time I would like to wish all of the Lakeview families a safe and happy summer. Keep reading, learning and growing.

PA Day

There is a PA day on Friday June 30, 2017.

This means there is no school for students.

EQAO

EQAO for our grade 3 students was completed at the end of May.

Parents will receive notification of their child's results in the fall.

We look forward to EQAO for grade 3 and 6 next year!

Beach Day

Beach Day is the last day of school!

Wear your hat, sunglasses and beachy shirt and shorts and enjoy the sun!

June 2017

Motivate Canada

Through Motivate Canada and their Esteem Team, students in grades 3-5 enjoyed a lively presentation by ex-NFL/CFL football player, Mark Hatfield.

Mr. Hatfield regaled the students with stories from his youth, setting goals and working to persevere through hardships and let-downs.

His message was clear and important and we know our students enjoyed his style and are thinking about his message.

Summer

Here comes summer!! Yippee!!!

We hope all of our Lakeview families have a wonderful summer. We know that students will take time to reflect on this school year, keep good memories and think of changes they can make, helping them improve for next year.

Teaching Staff 2017-2018

K - Mrs. Barb Ledger

June 2017

MayFair

Mayfair was a huge success!

Many thanks to the parents who supported the day by donating bake sale items, books/small items to sell, mason jar items, participation in the days events, purchasing of raffle tickets or helping out that day with the many tasks that made the day a success!

An awesome Parent Council is what made this day so successful. Under the leadership of Julie Watson and Tauhid-Brian Thomas, the team working that day were fantastic. All of the parents who contributed to the smooth-running of that day should feel very proud of their accomplishment!

Mayfair raised a lot of money that will be used to enhance the learning of our students.

Wow! Wow! Wow!

Environmental Trips

Grades 1-5 students had a wonderful day on June 1st, either visiting Andrew Haydon Park or one of the trails that are part of the Stoney Swamp area.

A great day was had by all and as a school, we appreciated the grant from the school board in paying for the transportation.

Hopefully, LPS families might venture out into parks or on to trails in the coming weeks or this summer!

Are you moving?

If you know that you are moving out of the Lakeview Area or are planning to move to another school for the 2017-2018 school year, please call the office and let Administration know as soon as possible.

This helps in the creation of accurate lists for next year. Additionally, please register your K student now, if you have not done so already.

If you know of a family planning to attend LPS next year and they have a Kinder child, encourage them to register if they have not already done so.
